

8th Hornchurch ST. GEORGES Beavers.

July 2025.

This is our last beaver meeting of the term, we will restart on Mon., 8th September.

Autumn term subs of £35 will be due when we restart. Please pay online to 8th Hornchurch St. George's Beaver Colony Account No. 68494963 Sort Code 30-98-97 please reference beaver's name. If your child has a sibling in another section of the 8th Hornchurch Scout Group subs are discounted to £30.

Thank you to those who attended the St. Georges Parade. A number of our older beavers attended the District Beaver Sleepover taking part in various activities including T-shirt decorating, 'inflatable Demolition', 'soft' axe-throwing and a campfire.

We've said goodbye to a number of our older beavers who've moved on to our cub packs and we've welcomed some new members.

Colony catch-up: We made Easter bunnies and then window decorations celebrating VE Day; we also did an online safety evening. We make the most of the lighter evenings by doing outside activities; we did a bio-blitz on our outside grounds finding numerous insects. We planted sunflower seeds and have also made leaf rubbings and we've played outside games. We visited Thames Chase where beavers helped in the tree nursery and then made bug houses. We went to Cely Woods to build dens and have followed the woodland trail, finding animal pictures and climbing on various wooden structures and this evening we're making kites.

Photos on our website will be updated during the holiday. Have a good summer, see you in September.
